FUNERAL SERVICES

OUR DIRECT CREMATION PRICE

Our Direct Cremation Price

£1295.00

We offer an unattended Direct Cremation whereby the cremation of your loved one takes place without a service or attendance of mourners, but still guarantees our high standard of care.

We will arrange a time and date with the Crematorium as agreed with you.

We can also offer a Witnessed Direct Cremation whereby a small number of mourners are able to attend the Crematorium and spend 10-15 minutes in the service chapel to witness the committal.

This offers an element of closure, allows for one piece of music to be played, and offers those present a moment of quiet reflection.

This is a family or close friends only service, with no celebrant, officiant, or ministers able to attend, or any participation allowed.

Crematoria will apply a surcharge for this Witnessed Direct Cremation option.

We can offer clear advice in advance on the options available to you and any associated surcharge.
